Airflow/Watts of Heating	600 CFM / 6000 watts

With an industry-leading 10-year warranty, we are not only confident that the durability of our Circul-Air cabinet gear dryers will exceed expectations, we stand by it. The Express 4-Gear is the smallest of the double-door units and is perfect for stations that have limited space and budget. The Express 4-Gear packs a punch, offering a small footprint while also drying up to 6 pieces of gear. Including both ambient and heat functions, our 4-gear is the ideal standard level cabinet that is compliant with NFPA 1851:2020.

- Commercial grade, powder coated and galvanized construction for long-lasting durability to dry gear for years to come
- Capacity up to 6 pieces of gear
- Includes: 6 gear hangers, 6 glove hangers, 2 wire racks, 1 boot rack to dry up to 6 pieces of gear at a time
- Smallest of the double-door units optimal for limited space and standard gear needs
- Proudly made in North America
- 10-year warranty
